

Mini Spy Surveillance Camera Units

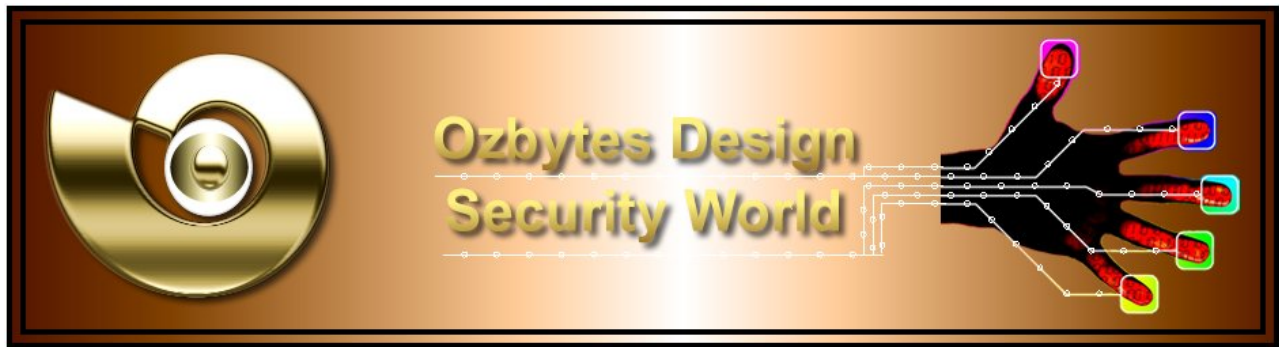

MINI STICK SPY SURVEILLANCE CAMERA **Item Code: OZD-GVC-VCMSA**

The OZD-GVC-VCMSA Mini Stick Spy Surveillance Camera is a Professional Miniature DVR Surveillance Camera Unit, which incorporates a Pin Hole Camera Lens and captures outstanding quality Video and Audio for it's class of Surveillance Cameras, at the discrete touch of a button. The OZD-GVC-VCMSA Mini Stick Spy Surveillance Camera is especially designed to record covert Video and Audio and is particularly suitable for Reporters, Investigators, Interviewers, Police Officers, Private Investigators, Public Servants, Government Officials, Security Officers and anyone requiring the ability to discretely record Video and Audio from time to time.

The OZD-GVC-VCMSA Mini Stick Spy Surveillance Camera is small enough to fit inside a Chewing Gum Packet but delivers big performance by offering a TF / Micro SD Card Reader which can accept TF / Micro SD Cards with up to 8 GB Storage Capacity enabling the direct saving of recorded Video and Audio.

Furthermore, the OZD-GVC-VCMSA Mini Stick Spy Surveillance Camera offers one click Stop / Start Recording, simple Plug-and-Play Operation, Windows ME / 2000 / NT / XP / Vista / MAC OS / Linux Drivers installed automatically, Windows 98 and 98SE Drivers required, Recorded Video viewable using Windows Media Player or any Video Player that supports .AVI Video Format, USB 2.0 Port for connecting to PC or Laptop or Battery Recharging, a built-in Microphone, a built-in Rechargeable Li-ion Battery (recharge directly from USB Port or USB 200 - 250V AC to 5V DC Power Adaptor), 352 x 288 Resolution Digital Video Clips in .AVI Format, MP3 Audio Format, Greater than 8 hours total recording time for 8 GB TF / Micro SD Card, Recommended Maximum Range for Video: 2 to 3 Meters, Recommended Maximum for Audio:

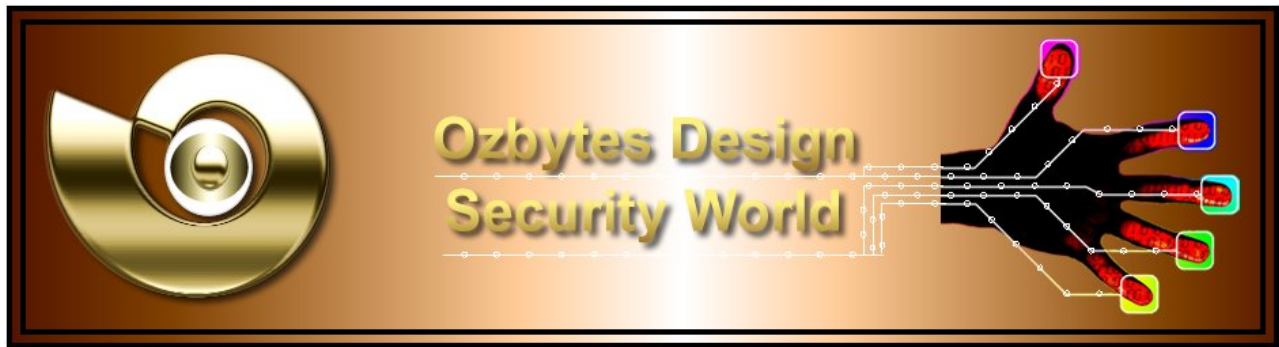

1 to 2 Meters, a Hold Switch for ensuring the Camera does not accidentally switch off, 3 Hour Recording Time with one Battery charge, is portable, light-weight at only 18 grams and can be discretely set-up to capture close range Video and Audio from anywhere.
